## Enjoy **More** Light, View, & Protection

Our large 8" louvers offer unparalleled control over your outdoor environment, allowing for maximum shade, ventilation, and weather protection with their expansive coverage and adjustable design. Complementing this, our innovative 360-degree perimeter gutter system and watershed design ensures efficient water management, channeling rainwater away seamlessly, keeping your outdoor spaces dry and comfortable regardless of the weather.

## What Our Customers Are Saying

★★★★★

I was really impressed with Outerra's installation process for our louvered pergola. The team was efficient, professional, and had it set up quicker than I expected. It's been a fantastic addition to our deck.

- Jackie R.

★★★★★

Since getting our louvered pergola from Outerra, we've spent so much more time outside. It's perfect for controlling sunlight and really makes our backyard feel like an extension of our home.

- Adam J.

★★★★★

The pergola from Outerra was just what our garden needed. The design is gorgeous, and adjusting the louvers is a breeze, it's perfect for our weekend brunches outdoors.

- Chris D.
